Family Time brings together children of all ages, providing a dynamic and integrated learning experience for everyone.

Favourite Kindermusik songs and activities are mixed into a fun, family class where each child is welcomed and valued and family "together time" is celebrated and cherished. Singing, movement, story time, a "Family Jam", quiet rocking and more make up the Family Time class experience, with each child able to participate at his or her own developmental level, encouraged by Mom, Dad, Grandma or Grandpa and siblings.

This is a 45-minute weekly class. Adult participation during entire class.

Kindermusik[®]

Since the late 1970's, Kindermusik has provided children with a broad-based, eclectic music experience. Over 3000 licensed Kindermusik educators worldwide currently reach tens of thousands of children. By encouraging children's creative and musical development, it builds a foundation for further music study. Kindermusik focuses on process rather than performance, thus nurturing the total development of children. This child-centred approach is carefully structured to reflect your child's age, stage, and special needs.

Our Kindermusik Teachers

. . . belong to a supportive network of over 3000 licensed Kindermusik professionals teaching in studios all over the world. Our curricula have been designed by experts in the fields of Early Childhood Music Education and Child Development. We offer the most progressive music education available - always accomplished in a fun and nurturing environment by highly qualified and caring teachers.

Be more.

The Conservatory offers an accessible and comprehensive program of music, dance and early childhood instruction accommodating students of all ages and levels of ability. We provide quality instruction designed to inspire a lifelong interest in the arts, whether for personal enjoyment or a professional career.
