

Clarineo Kids

Mini-clarinet for ages 6-8

Learn to play the clarineo

- perfect introduction to the clarinet for young children
- no need to wait until old enough for clarinet in school band
- changing to clarinet later is easy

The clarineo

- a mini clarinet pitched in concert C
- sturdy plastic construction
- sized smaller than clarinet for small hands
- simplified clarinet fingering system
- lightweight; easy for small children to hold
- easy for child to assemble on their own
